

Data Analyst

# Aymen Khazri

Digital Business Developer • Data Analyst • Freelancer

**Turning data into profitable business decisions.**

 Potsdam, Germany · 5+ Years Experience

## Profile

---

Data-driven analyst with a strong foundation in data science and digital business, experienced in turning complex datasets into clear, actionable insights that support growth, optimization, and operational efficiency. Advanced in SQL and Python, with hands-on experience building dashboards, automating reports, and developing analytical workflows for product and business teams. Comfortable operating at the intersection of analytics, strategy, and execution, working closely with cross-functional stakeholders in fast-paced startup and SME environments.
